Objective

Registered Professional Nurse with 11 consecutive years of health care experience, including 6 years as an emergency room nurse. I have an M.S. in Nursing and am currently working toward my Doctorate of Nursing Practice at Falling Leaf College. Seeking a position as a geriatric nurse at Rambling River Nursing Home.

Experience

Emergency Room Nurse / River Bluff Hospital

JULY 2013 – PRESENT, BEAUMONT, CA

- Collaborate with medical staff, patients and family members to deliver appropriate care in a timely manner
- Administer IV fluids and prescription medications, including antibiotics and narcotics, while monitoring patient reactions
- Prepare patients for surgery and other procedures, including CT scan, X-ray and MRI
- Perform life-saving care for stroke, heart attack and overdose patients
- Review urinalysis, blood specimen tests and other laboratory work before creating effective treatment plans tailored toward each patient's needs

Certified Nurse Aide / Beaumont Retirement Community

AUGUST 2008 – JUNE 2013, BEAUMONT, CA

- Provided basic medical care for residents in a 115-bed facility
 - Assisted residents with daily hygiene tasks, including bathing and toileting
 - Changed bedpans, emptied drainage bags and tidied up resident rooms
 - Maintained accurate patient records while complying with HIPAA standards
 - Administered medication and monitored vital signs
-

Education

Falling Leaf College / Masters of Arts in Nursing
