Profile

Lead programmer with history of bringing projects to completion well ahead of deadline while exceeding functional expectations. Proven leader who can mentor junior staff and build strong development teams while also working individually to code and troubleshoot advanced challenges.

Professional Experience

Senior App Developer, BabyMetrics, Winchester, VA
June 2016-Present

- Train all incoming app developers
- Develop priorities and oversee coding and development work
- Act as lead app developer on numerous agile products, regularly delivering completed products to live environments in as little as three months after projects begin

Senior Programmer, Angel Investments, Miami, FL
October 2012 – May 2016

- Worked as technical project lead to design and implement numerous critical tech solutions
- Managed scope of projects to ensure an average completion budget that was 10% lower than planned
- Mentored junior programmers
- Performed coding and troubleshooting

Junior Programmer, Blade, Inc., Miami, FL
July 2008 – October 2012

- Coordinated system testing, including business user testing that included providing training documents and presentations
- Designed reporting interfaces and prebuilt options that let users run most-used queries without going through technical staff
- Worked with development team to create end-user apps for better customer service

Education

Bachelor of Science in Computer Science
Miami State University, Miami, FL, September 2004 – May 2008

Skills

- Excellent written and oral communication skills that allow for translation of concepts and goals between business and technical departments
- Proficient in Java, XML, J2EE, HTML, TCP/IP, SOAP, Visual Studio, MS SQL Server, MySQL, jQuery, and both C and C++
- Code and software troubleshooting skills to determine root causation and develop and implement solutions to reduce downtime
- Leadership skills that includes coaching and training of junior programmers and other IT resources

Certifications

- CompTIA ITF+
- CompTIA A+
- Google Cloud certified
- AWS certified
- Oracle certified
- VMWare Expert certified
