A Construction Worker with two years of experience collaborating with high-performance teams to execute home renovation projects and new residential builds valued at up to \$200K. Adept at operating heavy equipment, performing repairs, and ensuring compliance with OSHA safety standards.

Key Skills

- Construction Machinery Operation
- Residential Construction
- Carpentry
- OSHA Safety Standards
- Equipment Maintenance

Professional Experience

Construction Worker

Trinity Construction, Nashville, TN | October 2022 – Present

- Coordinate with construction teams and contractors for residential projects valued at \$80K-\$250K, build, repair, and install wooden fixtures, and ensure on-time completion
- Operate construction machinery, backhoes, compactors, and bulldozers, perform heavy labor, and ensure compliance with PPE regulations and OSHA safety standards
- Conduct roof repairs by removing old roofing materials, perform cleaning and preparation for new materials, and ensure safe hauling of tar and roofing materials to work-sites

Construction Worker

Quad Building and Renovation, Nashville, TN | June 2021 – October 2022

- Supported residential construction projects ranging from \$60K-\$150K and collaborated with team members to ensure on-time and on-budget project delivery
- Mixed construction materials to standard formulas, including grout, mortar, and plaster
- Operated heavy machinery, maintained equipment and work sites, identified potential hazards, and maintained strict adherence to safety protocols
- Painted interior and exterior walls of buildings using brushes, rollers, and spray guns

Education

High School Diploma

Nashville Central High School, Nashville, TN September 2017 – June 2021
