PROFILE

Nursing student with anticipated graduation date of December 2020. Extensive experience providing direct patient care first as a certified nursing assistant and then as a student nurse in a BSN program. Received "exceeds expectations" rating on clinical evaluation, with scores of 5/5 in the categories of patient communication and ability to collaborate effectively with other medical professionals.

PROFESSIONAL EXPERIENCE

Student Nurse

Community Medical Center, Scranton, PA | January 2020 - May 2020

- Provided direct care to patients in the pediatric unit of a community hospital
- Developed skill in placing intravenous lines and catheters in pediatric patients
- Utilized examination, observation and interviewing skills to assess patient well-being

Certified Nursing Assistant

Regional Hospital of Scranton, Scranton, PA | February 2017 - December 2019

- Assisted patients with activities of daily living, such as toileting and bathing
- Recorded patient intakes and outputs in the Cerner EMR system
- Created a clean, safe environment for patients by changing bed linens, emptying bedside commodes and removing fall hazards from patient rooms

EDUCATION

Bachelor's of Science in Nursing Candidate, 3.8 GPA

University of Scranton
August 2016 - Present

Completed coursework:

- Anatomy and physiology
- Pharmacology, including dosage calculations
- Community and environmental nursing

KEY SKILLS

- Specialized experience providing direct care to pediatric and adolescent patients
- Strong ability to collaborate with registered nurses, nursing supervisors and positions to ensure every patient receives quality care
- Extensive experience conducting patient assessments and developing care plans based on their results
- Ability to explain complex medical conditions to patients in a way that they can understand
- Excellent communication skills, particularly with regard to patient and family education
