PROFESSIONAL EXPERIENCE

DENTAL HYGIENIST

Bismarck Dental Services, Boston, MA
May 2020 – Present

- Educate patients on the importance of at-home care, flossing, and electric toothbrushes to prevent cavities, loss of enamel, and decay
- Review patients' health and oral health history prior to dental hygiene procedures, remove plaque and calculus, and perform debridement and root planing
- Manage patient anxiety through pleasant demeanor, education, and empathy and introduce an innovative cleaning approach to reduce patient discomfort

DENTAL HYGIENIST

Hayden Dental Practitioners,
Boston, MA
June 2017 – May 2020

- Provided quality dental care services to patients across all ages, counseled patients on at-home care and dental hygiene, and performed teeth whitening and cleaning procedures
- Operated digital X-ray machine to provide intraoral radiographs, prepared digital models for 3D printing, and scanned existing plaster models into digital files
