34 East Selby Street, Boston, MA 45102

Profile

Keen and punctual high-school graduate with exceptional attention to detail and a passion for order and cleanliness. Achieved 100% attendance in the final year of school and spent seven years learning the piano, which has contributed to a disciplined and diligent nature. Work well using own initiative but always follow instructions carefully and see projects through from start to finish. Enthusiastic sportsperson with a long-standing interest in martial arts, carpentry and DIY.
