Profile

Knowledgeable security guard with over 12 years' experience protecting individuals and property. Capable of directing a security team and taking action in different situations, including those that call for armed security. Proficient in firearm use and safety as well as first aid and CPR. Have communicated effectively with dozens of clients, assessing their security needs before recommending and implementing solutions.

Professional Experience

Lead Security Officer, ACE Security Contractors, Chicago, IL

November 2014 - Present

- Train new security officers in company protocols, security best practices, and reporting duties
- Recommend subordinate officers for disciplinary action or promotion as appropriate
- Perform assessments of clients' needs and inspections of sites, facilities, and vehicles to be secured
- Coordinate and manage officers assigned to clients, both remotely and on-site
- Perform additional security tasks, such as patrolling and escort duties

Security Guard, Phoenix Security Solutions, Portland, OR
