Dear Mr. Sampson,

I am a highly effective networker, with a keen eye for a deal and excellent communication skills. My exam scores demonstrate my dedication to hard work and high-achievement, and I believe that the Team Recruiter position at Goodyear Recruitment is the ideal way to hone my practical skills.

I understand that your company is dedicated to finding people positions where they can remain long-term. As someone who focuses on the bigger picture and the smallest details, I believe I can deliver the high level of service you're looking for. The key strengths I'll bring to the organization include:

- **A relentless work ethic:** I aim to be the first person through the doors in the morning and the last one to go home at night
- **The ability to persuade:** I never take no for an answer and will continue to pursue leads until they convert
- **Phone manner:** My phone manner is excellent, and I'm just as proficient at using digital channels like LinkedIn

I would be delighted to discuss my passion for the industry and learn more about Goodyear's vision of recruitment in the future. I'm available for an interview at your convenience.

Warm regards

Sam Ingmar, BA

P.S. I'd love to tell you more about the methodology I've developed to foster meaningful long-term relationships on LinkedIn.
