Dear Mr. Philpart,

As a newly certified pharmacy technician, I'm eager to show you how my people skills, self-motivation and past retail experience make me a great fit for your independent pharmacy. Working for another family-owned pharmacy in Gretna since early 2020, I've experienced firsthand how powerful positive customer relationships can be on a personal and professional level.

While pursuing my NE-CPhT certification through the UNMC College of Pharmacy, I've learned to be flexible and productive with work, school and family responsibilities. I've also honed my computer skills and gained extensive knowledge about pharmacy practice workflow. My current employer, customers and professors have commended me for:

- Elevating the pharmacy's reputation for accuracy and superior customer service.
- Maintaining a 3.6 GPA.
- Voluntarily mentoring fellow students as a study leader.

I anticipate the opportunity to share my passion for excellent service, understanding of best pharmacy practices and dedication to teamwork. Please contact me at your earliest convenience to set up an interview.

Sincerely,

Tamara Pastori

P.S. I also look forward to showing you five-star online reviews I received from some of my favorite customers.
