Profile

Experienced and capable substitute teacher with a 12-year track record providing outstanding math teaching in San Francisco high schools. Adept at tailoring lesson plans to meet the needs of students with SEN and English as a second language. Able to use comprehensive knowledge of the mathematics curriculum to generate last-minute lesson plans when called in on short notice.

Professional Experience

Substitute Teacher, San Francisco Unified School District, San Francisco, CA

September 2015 - Present

- Deliver high-quality whole class math lessons to students from Grade 9 through 12 in various San Francisco high schools
- Maintain an average 94% approval rate with permanent teachers
- Adapt teaching strategies to meet all students' requirements, including those with barriers to learning
- Use existing schemes of work to plan last-minute sessions when cover plans aren't provided

Math Teacher, Gateway High School, San Francisco, CA

September 2009 - July 2015

- Planned differentiated schemes of work and individual lesson plans pitched to all ability levels
- Undertook formal and informal assessments to track student progress and inform future planning
- Trained student and newly-qualified teachers to improve their classroom management and lesson delivery
- Ran an extracurricular club to drive student engagement and nurture talent
