PROFILE

Seasoned school librarian with 10+ years' experience selecting and managing varied collections, including digital resource databases. Strong teaching ability and dedication to promoting a culture of reading and literature appreciation among students. Extensive knowledge of disability adaptations with a proven track record for ensuring equal access for students with barriers to learning.

PROFESSIONAL EXPERIENCE

School Librarian

Augusta School Department, Augusta, ME | September 2014 - Present

- Select, purchase, and catalog diverse materials, including literature, reference books, publications, and digital resources
- Provide student orientation services and offer guidance on using databases to locate resources
- Plan and run events and activities that foster a love of books and reading skills, including author talks, reading circles, and remedial comprehension classes
- Handle the departmental budget and oversee staff training and performance management

School Librarian

Portland Public Schools, Portland ME | September 2010 - August 2014

- Selected stock to reflect the cultures, educational needs, and ages of students in collaboration with librarians from other schools
- Ensured appealing and orderly organization of materials and created rotating displays to reflect the educational role of the library and mark significant events
- Managed the schools ICT suite and provided student training to allow them to access the library's digital resource archives
- Adapted the library environment and resources to make them accessible to students with special educational needs
