Dear Ms. Simon,

In 2020, I achieved a guest feedback score of 99.5% for service quality and professionalism. Respondents mentioned my friendliness and extensive knowledge of allergens and special dietary requirements. I hope to display the same dedication as a server at Buffalo Wild Wings.

As a customer-oriented server with more than two years' experience, I appreciate Buffalo Wild Wings' reputation for outstanding guest service. I believe that my exceptional energy and motivation will allow me to excel in such a fast-paced working environment. My recent achievements include:

- Assisting with delivering a team training initiative that improved overall guest satisfaction by 43%
- Increasing profits by an average of 23% during my shifts by suggesting wines and cocktails to complement dishes
- Enthusiastically promoting the restaurant's guest loyalty program to increase uptake by 65% in a single month

I would like to schedule an interview to explore how my abilities and qualities can help create incredible experiences for your guests. Please feel free to get in touch to arrange a convenient time.

Sincerely,
