Professional Experience

Management Consultant-Technology

McKinsey & Company, Pittsburg, PA | December 2020 – Present

- Design strategies for companies looking to break into, or stay competitive in, the global electronic economy.
- Named "Business Technology Management Consultant of the Year" at McKinsey's Pittsburgh Branch in 2020 for outstanding and consistent project outcomes.
- Identify and assess complex business and technology risks, create performance indicators, and plan for transitions to new processes.
- Highly requested by clients for work on information technology solutions to common business problems.

IT Systems Analyst

Highmark, Inc., Pittsburgh, PA | September 2018 – November 2020

- Avoided system failure and reduced downtime by evaluating, monitoring, and correcting system network problems.
- Remained in the top three out of 85 company analysts for speed in resolving issues.
- Designed, built, and maintained databases for a variety of internal products.
- Collaborated with the scrum team to ascertain and suggest designs or solutions for projects.
