## MANAGER

L.E.K. Consulting, Raleigh, NC  
August 2018 – Present

## PROFESSIONAL EXPERIENCE

- Broke the L.E.K Raleigh office's client project acquisition record for a single quarter during my first six months as a manager.
- Coach senior executives on Agile method at 15 Fortune 500 companies.
- Contribute to white papers that explain goods, services, and solutions to the common concerns of financial corporations and organizations.
- Provide leadership and guidance for more junior consultants within Financial Services.

## SENIOR CONSULTANT

L.E.K. Consulting,  
Raleigh-Durham, NC  
August 2016 – July 2018

- Presented risk assessments and recommendations to client executives using Keynote and Prezi.
- Identified critical data needs and instituted suitable data collection processes, analytical techniques, and reporting formats.
- Helped client implement new organizational structure which reduced labor costs and maximized staff productivity.
- Assisted in set up and maintenance of Oracle professional communities for multiple clients.

## STAFF ACCOUNTANT

KPMG, Charlotte, NC  
September 2014 – July 2016

- Aided in the production of tax returns for various corporations.
- Updated training program for new accountants as an off-season project and enabled new employees to complete the course in three weeks rather than six.
- Completed approximately 450 sales tax returns.
- Prepared license renewals for businesses, including fee calculations.
