Dear Mr. Morris,

I'm interested in applying for the registered nurse position at Hockessin Medical Center that I found on LinkedIn. During my nursing program and externship at Wilmington Hospital, I developed an advanced understanding of evidence-based care and patient education, which I believe makes me an ideal candidate for your organization.

Hockessin Medical Center's reputation for delivering high-quality, holistic care to patients is what draws me to apply for this opportunity. I have a passion for identifying clinical enhancements to care delivery and improving quality of life. I believe I can provide value to both your team and patients based on my previous achievements:

- Delivered patient-centered care in acute care environments under the supervision of registered nurses and preceptor in a 300-bed hospital with a 1-to-5 ratio
- Educated patients on illnesses, medications, and treatment options with empathy and compassion, resulting in a 94% patient satisfaction rating
- Coordinated effectively with nurses, medical staff, physicians, and multi-disciplinary teams

I look forward to speaking with you further about how my nursing experience can be an asset to your organization. You may contact me via phone or email at your convenience. Thank you for your time and consideration.

Sincerely,
