Professional Experience

Translator & Interpreter

San Diego Community Hospital, San Diego, CA | May 2019 – Present

- Serve as an interpreter for physicians and patients with limited English language skills, which includes translating medical diagnosis, terminology, and treatment plans into Spanish and resolving intercultural communication issues
- Coordinate with the medical team to create pamphlets and medical education materials for Spanish speaking patients
- Translated updates from the physician on patient condition following surgical procedures during discussions with family members and guardians

Translator

Better Health Medical Clinic, San Diego, CA | July 2018 – May 2019

- Provided Spanish translation services to medical staff, volunteers, and patients for a community clinic delivering treatment services to vulnerable populations
- Coordinated with non-profit staff to secure community resources and communicate instructions, medical diagnosis, and medication prescriptions
