EDUCATION

Bachelor of Science (B.S.) Supply Chain Management

University of San Diego,
San Diego, CA
September 2012 - May 2016

KEY SKILLS

- Inventory Management
- Vendor Management
- Pricing Negotiations
- Process Improvement
- Warehouse Operations

An Inventory Manager with five years of experience, specializing in supply chain management, logistics, warehouse operations, and process improvement. A proven track record of managing multi-million-dollar inventories. Expertise in driving change management initiatives to improve inventory control and reduce procurement costs.

PROFESSIONAL EXPERIENCE

Inventory Manager

Clean Diamonds Inc., San Diego, CA | May 2018 – Present

- Manage inventory valued at over \$50M for a lab-grown diamond seller, oversee negotiations and relationships with vendors, and identify opportunities to enhance sourcing, resulting in a 10% reduction in annual costs
- Coordinate with purchasing, distribution, and supply chain personnel to identify continuous improvement opportunities to refine operations
- Utilize ERP systems to manage supply chain, purchasing, and inventory control activities and analyze data across five locations to identify errors and discrepancies

Inventory Manager

Fellini Diamond Corp., San Diego, CA | May 2016 – May 2018

- Oversaw diamond product inventory valued at \$15M for a high-end diamond and jewelry retailer, which included analyzing inventory levels, managing purchasing activities, and collaborating with the Supply Chain Manager to coordinate shipments
- Managed reconciliation of inventory, including damages, discrepancies, late shipments, and inaccuracies with product counts
