A Senior Inventory Manager with 10+ years of experience, specializing in operations management, inventory control, continuous improvement, and project management. A strong history of building and leading cross-functional teams to manage supply chain and warehouse operations. Adept at identifying opportunities to automate inventory management processes.

## Key Skills

- Inventory Management
- Sourcing
- Logistics
- Operations Management
- Process Improvement

## Professional Experience

### Senior Inventory Manager

*Walmart, Philadelphia, PA | May 2016 – Present*

- Managed \$200M of inventory for 15 store locations, conducted merchandising planning, and conducting forecasting to determine stocking decisions based on data analytics and projected sales volume
- Develop strategies with Supply Chain Managers and retail business units to enhance product delivery processes and reduce late shipments by 40%
- Led the implementation of an automated markdown system to reduce aging inventory and improve inventory control
- Oversaw a team of 50+ warehouse and logistics personnel, assigned responsibilities, defined workflows, and led efforts to improve team performance and efficiency

### Inventory Manager

*Safeway., Philadelphia, PA | May 2011 – May 2016*

- Managed \$10M in food and beverage inventory for five store locations, coordinated sourcing, purchasing, and logistics, and negotiated pricing with vendors, resulting in a 20% reduction in procurement costs
- Created reports for senior leadership on supply chain metrics, inventory volume, and sales forecasts to support purchasing decisions

## Education

### Bachelor of Science (B.S.) Supply Chain Management

Drexel University, Philadelphia, PA September 2007 - May 2011
