PROFILE

A Senior Videographer with 10 years of experience filming live sporting events and concerts for enterprise organizations, including the NFL, NBA, and college sports. A strong history of leading diverse teams of videographers to film, edit, and deliver high-quality video content. Adept at identifying opportunities to refine camera angles and enhance production efficiency.

PROFESSIONAL EXPERIENCE

Senior Videographer

Fox Sports, Los Angeles, CA | May 2016 – Present

- Lead a crew of 25+ camera and video editing personnel to shoot, film, stream, and upload 300+ nationally broadcasted live sporting events in the NFL and NBA
- Coordinate with production teams to execute video editing processes for sports highlights and games prior to upload on the company website, including transcoding, shading, and color correction
- Operate robo cameras and Steadicams throughout the event and scouted locations to ensure optimal camera placement, angles, and lighting

Videographer

Sports Live Inc., Los Angeles, CA | May 2011 – May 2016

- Operated cameras for the filming of 200+ live college sports events for universities across the state of California, including college football and basketball
- Collaborate with a team of videographers and video editors to create highlight reels for games and individual athletes, which included condensing hours of footage into five-minute videos
