(123) 456-7890

An Early Childhood Teacher with five years of experience, specializing in curriculum development, group learning, lesson planning, and classroom management. A proven track record of designing enriching lesson plans and delivering instruction to preschool students across a diverse range of backgrounds and cultures.

PROFESSIONAL EXPERIENCE

EARLY CHILDHOOD TEACHER

West Valley Preschool, San Diego, CA | September 2018 – Present

- Deliver instruction to classes of up to 30 preschool students, develop engaging lessons to facilitate interest in art, music, and reading, and plan outdoor activities to differentiate instruction and drive student engagement
- Utilize play-based learning techniques to increase student interest in the subject material and facilitate personal and academic growth
- Communicate with students to aid them in creating positive relationships with peers and drive the development of social skills

EARLY CHILDHOOD TEACHER

North San Diego Preschool, San Diego, CA | September 2016 – June 2018

- Provided group and individual instruction to 20+ preschool students, created engaging lesson plans and activities, and incorporated experiential instruction techniques
- Interfaced with parents and faculty to monitor student progress, learning needs, IEPs, and behavioral issues to foster positive growth
