PROFESSIONAL EXPERIENCE

LEAD EARLY CHILDHOOD TEACHER

Providence Preschool, Providence, RI
September 2016 – Present

- Develop and implement innovative lesson plans for classrooms with up to 25 preschool students, tailor instruction based on student strengths and weaknesses, and utilize cooperative learning activities to develop communication and relationship building skills
- Lead the integration of education technology across the preschool and provide training to preschool teachers to maintain quality instruction to students during Covid-19
- Manage five assistant preschool teachers and provide coaching and mentorship to 10+ certified preschool teachers to develop an engaging curriculum

EARLY CHILDHOOD TEACHER

Rhode Island Learning Center,
Providence, RI
September 2011 – June 2016

- Created engaging learning activities and curriculum to facilitate the growth of child literacy, which included differentiating instruction to improve understanding of language and expand child vocabulary
- Attended regular meetings with parents to facilitate ongoing communication regarding the social, emotional, and cognitive development of students
