Professional Experience

Airline Pilot

American Airlines, Philadelphia, PA | May 2018 – Present

- Lead the transport of passengers and freight for cross-country flights to and from the Philadelphia area and operate Airbus A-321T and Boeing 77-300ER aircrafts
- Manage pre-flight preparation, ensure regulatory compliance across the crew, and develop flight plans according to weather conditions, distance, and aircraft weight
- Analyze maintenance reports for aircraft, identify potential issues with systems or equipment, and provide recommendations to maintenance teams
- Provide appropriate accommodations for passengers with disabilities and special needs

Flight Instructor

Philadelphia Flight Academy, Philadelphia, PA | May 2016 – May 2018

- Delivered flight and ground instruction to 80+ student pilots on navigation, equipment, and systems for Cessna 172 aircrafts
- Taught curriculum in-classroom settings and flight simulators, recorded flight training, and monitored student performance to authorize solo flights
