EDUCATION

Bachelor of Science (B.S.) Fashion Design

Columbia University,
New York, NY
September 2012 - May 2016

KEY SKILLS

- Fashion Design
- Print Design
- Cross-Functional Collaboration
- Garment Construction
- Product Development

A dynamic Fashion Designer with five years of experience, specializing in production, print design, garment construction, and trend analysis. A proven track record of creating contemporary designs to develop unique brand aesthetics within a crowded market space. Adept at collaborating with manufacturing and production teams to bring products to market.

PROFESSIONAL EXPERIENCE

Fashion Designer

Elegant Designs Inc., New York, NY | August 2018 – Present

- Design innovative new products across various market verticals and categories, including outerwear, sweaters, dresses, tops, and bottoms, generating \$300K in annual sales
- Interface with pattern makers and designers to define garment construction and coordinate with manufacturing teams to execute successful product launches and ensure compliance with quality standards
- Manage a team of four assistant fashion designers, provide constructive feedback on creative designs, and deliver coaching and mentorship to facilitate professional growth

Assistant Fashion Designer

Atella Clothing, New York, NY | June 2016 – August 2018

- Coordinate with the lead fashion designer to support all aspects of the design process for the development of a new swimwear clothing line, including creating concept boards, print designs, and graphic designs in AutoCAD
- Attend brainstorming meetings with creative teams, develop design sketches in Adobe Illustrator, and provide recommendations based on market research and trends
