

John Ramirez

A Fashion Designer with 10+ years of experience, specializing in conceptual design, product development, contemporary fashion, and cross-functional leadership. A strong history of defining brand aesthetics for award-winning men's clothing collections. Adept at identifying opportunities for innovation in fashion design to disrupt markets.

Professional Experience

Senior Fashion Designer

Grayson's Premiere Clothing, Los Angeles, CA August 2016 – Present

- Manage all aspects of fashion design for the development of 10+ new product lines for a premiere men's clothing collection generating \$3M in annual revenue, including suits, winter coats, sweaters, and outerwear
- Coordinate garment construction, collaborate with manufacturing teams for fabric sourcing, and identify opportunities to reduce production costs by 15%
- Lead a team of 10+ fashion designers and graphic designers, provide constructive feedback on creative designs, and deliver ongoing coaching and mentorship

Fashion Designer

Men's Casual, Los Angeles, CA May 2011 – October 2016

- Led the conceptualization, design, and development of eight new men's clothing products for a collection with over \$1M in sales, including jeans, polos, khakis, and jackets
- Create CADs, print designs, and sketch designs and develop presentation boards, and collaborate with creative teams, designers, and merchandising to evaluate concepts
