PROFILE

A Shift Leader with seven years of manufacturing work experience, specializing in operations management, Lean Six Sigma, resource allocation, and OSHA safety. A strong history of leading cross-functional teams to enhance production efficiency and drive operational excellence.

PROFESSIONAL EXPERIENCE

Shift Leader

Herbert Manufacturing Corp., Minneapolis, MN | May 2016 – Present

- Manage production floor operations for a high-volume manufacturing site with over \$300K in raw material inventory, lead teams of 20 engineers and manufacturing staff, and develop a culture of continuous improvement to reduce lead times by 10%
- Support the employee onboarding process, provide training on quality control and OSHA safety standards to 40+ personnel, and reduce monthly safety incidents by 40%
- Troubleshoot production issues, perform equipment maintenance, and develop inspection schedules to reduce the risk of equipment malfunctions

Shift Leader

Marsten Production Warehouse, Minneapolis, MN | May 2015 – May 2016

- Served as the shift leader overseeing manufacturing operations for a facility delivering high-quality restaurant equipment products, conducted resource allocation and scheduling, and interfaced with the site manager to identify operational enhancements
- Led a team of up to 15 production staff, oversaw resource allocation and scheduling, and planned workflows to ensure adherence to manufacturing deadlines
