Samantha Jacobs
Hiring Manager
Fellowship Preschool
(987) 654-3210
samantha@fellowshippreschool.com

Dear Ms. Jacobs,

As a student teacher at Cardinal Preschool, I taught math, reading, and art lessons to classes of up to 15 preschool students. I planned enriching lessons and tailored curriculum and instruction to meet the needs of individual children. I believe that these experiences will allow me to make valuable contributions to your learning institution as a preschool teacher.

Fellowship Preschool's reputation for innovative, play-based learning strategies is what draws me to apply for this position. I believe that my teaching experience and background in early childhood education makes me the ideal fit for this role based on the following accomplishments from my career:

- Created dynamic lessons to drive cognitive development and emotional growth, including developing activities that combined math lessons and sports to drive student engagement
- Communicated with parents to discuss student progress, behavioral issues, and learning strategies to facilitate academic and personal growth
- Oversaw all aspects of classroom management and utilized positive reinforcement strategies to improve student conduct

I would like to schedule an interview to provide more insight into how my early childhood education background can benefit your preschool. You may contact me via phone or email at your earliest convenience. I appreciate your time and consideration.

Sincerely,
