Professional Experience

Dog Walker

Philly Dog Walker Service, Philadelphia, PA | May 2019 – Present

- Deliver dog walking services to pet owners, ensure strict supervision of pets during excursions, and provide a safe and nurturing environment for animals with differing needs, temperaments, and medical conditions
- Coordinate scheduling with over 25+ clients per week, conduct consultations on pet care services and provide overnight pet sitting support
- Oversee feeding of pets in alignment with nutritional needs and owner specifications and conduct proper safety measures during feeding in multi-pet households

Dog Walker

Northern Liberty Pet Care, Philadelphia, PA | June 2018 – May 2019

- Managed relationships with 20+ active clients for the delivery of pet care, grooming, and dog walking services, which included conducting at-home visits, monitoring pets during extended absences, and providing empathetic care and support to animals
- Ensured compliance with feeding routines based on individual pet needs and conducted household cleaning in the event of accidents or potential health hazards
