A Pet Care Professional with five years of experience specializing in dog walking, animal safety, relationship building, and fostering. A strong history of providing compassionate care to cats and dogs in shelters and at-home settings.

Key Skills

- Empathetic Care
- Dog Walking
- Client Relations
- Pet Care
- Relationship Building

Professional Experience

Animal Caretaker & Dog Walker

Providence Animal Shelter, Boston, MA | May 2018 – Present

- Provide support services to a shelter with 50+ cats and dogs, deliver emotional support and compassionate care to animals suffering from physical abuse, medical conditions, and anxiety, and communicate with potential fosters and owners to drive adoptions
- Ensure safety and wellbeing of various dog breeds during daily walks, medical evaluations, grooming, and feeding
- Educate potential fosters and pet owners on animal medical history, and behavioral issues, and provide recommendations to ensure a healthy home environment

Dog Walker

New England Pet Care Pros, Boston, MA | June 2017 – May 2018

- Communicated with clients and pet owners to provide high-quality animal care and dog walking services for a variety of canine breeds with differing behavioral needs, which included conducting consultations with pet owners to evaluate the animal background
- Ensured safety during supervised walk and exercise activities, administered medication to pets, and ensured compliance with client feeding specifications

Education

High School Diploma

Belmont High, Boston, MA September 2013 - June 2017
