raheemrichardson@example.com  
(123) 456-7890

A Pediatric Nurse with entry-level experience specializing in patient care, activities of daily living (ADLs), clinical operations, and HIPAA regulations. Adept at building relationships with patients and coordinating with multidisciplinary teams to drive positive patient outcomes.

## PROFESSIONAL EXPERIENCE

### PEDIATRIC NURSE

Manhattan Medical Center, New York, NY | May 2021 – Present

- Provide treatment to patients in a 40-bed pediatric care unit, conduct patient assessments, monitor vital signs, and interface with patients and families to obtain medical history and provide education on diagnosis and treatment plans
- Coordinate with physicians and multidisciplinary teams to develop and implement individual care plans in accordance with patient needs and hospital care standards
- Manage electronic medical records (EHR) and create reports for physicians on symptoms, pain levels, vital signs, and changes in patient conditions

### NURSE EXTERNSHIP

St. Mark's Hospital, New York, NY | March 2021 – May 2021

- Collaborated with the licensed nurse to provide care to pediatric patients, conducted patient assessments, monitored vital signs, and developed treatment plans
- Provided support to patients with activities of daily living (ADLs), including dressing, nutrition, bathing, and hygiene
- Conducted cleaning, disinfection, and sterilization activities for treatment rooms and medical equipment in compliance with Covid-19 and hospital safety protocols
