Professional Experience

Lead Mall Security Guard

Westline Mall, Seattle, WA | June 2016 – Present

- Identify peaceful resolutions to emergency situations using de-escalation techniques to ensure customer safety, prevent bodily harm, and detain suspects without violence
- Lead a team of 15+ mall security guards to perform daily patrols for unusual behavior and potential security threats and ensure adherence to conflict resolution protocols
- Provide training to team members in security operations, safety protocols, communication procedures, and de-escalation techniques

Mall Security Guard

North West Mall, Seattle, WA | September 2012 – June 2016

- Coordinated security operations for a mall with 200+ daily patrons, interfaced with the general public to de-escalate stressful situations and prevent conflict, and ensured compliance with security protocols and safety procedures
- Oversaw access control for restricted areas of the mall and store property, which included identifying irregular behaviors and performing security checks
