A Head Football Coach with five years of experience specializing in game planning, athletic program management, coaching, and talent recruitment. A strong history of achieving winning records and leading teams to state-level championships. Adept at coaching and mentoring high school students to drive athletic, academic, and personal growth.

## Key Skills

- Football Coaching
- Offensive Strategies
- Mentorship
- Program Management
- Strength Conditioning

## Professional Experience

### High School Football Coach

*Ridley High, Ridley Park, PA | May 2019 – Present*

- Serve as head football coach for the Ridley Raiders varsity football team, oversee the development of the academic program, conduct talent scouting activities, and ensure student-athlete compliance with academic and conduct standards
- Develop game-day strategies and offensive game plans and lead the 2020 varsity football team to a 12-4 record and a state championship appearance
- Manage practice sessions and strength conditioning programs for student-athletes to reduce injury risk and ensure player safety

### Assistant High School Football Coach

*Penncrest High School, Media, PA | August 2017 – May 2019*

- Coordinated with the varsity head coach to create dynamic game plans, plan practice sessions, and aid student-athletes in refining football technique, which reduced average penalties for the team from seven per game to three per game
- Provided support for facility management activities, including equipment purchasing, field maintenance requirements, and inventory management procedures

## Education

### Bachelor of Science (B.S.) Sports Administration

University of Pennsylvania, Philadelphia, PA, September 2013 - May 2017
