PROFESSIONAL EXPERIENCE

Regional Trainer

BestBuy, Boston, MA | October 2019 – Present

- Develop, manage, and implement a regional training program for 25 stores across the region and train over 50+ managers and assistant managers on employee engagement and management techniques, resulting in a 20% reduction in employee turnover
- Coordinate with a team of corporate trainers to develop curriculum for new hire onboarding and training on topics such as cultural sensitivity and sexual harassment
- Perform assessments of regional performance data to identify underperforming stores and implement remedial training sessions

Trainer

GameStop, Boston, MA | May 2017 – October 2019

- Designed and implemented training curriculum for store managers and sales associates across 12 retail locations in the New England region
- Delivered training to managers on sales best practices for rewards memberships, resulting in a 15% increase in enrollments in 2019
