CNA with 6+ years of experience delivering quality healthcare services to diverse patients. Ready collaborator who builds positive relationships with RNs, LPNs, hospitalists, and other members of the healthcare team. Bilingual: Fluent in English and Spanish.

Key Skills

- Disease Prevention
- Patient Mobility
- Team Collaboration
- Patient-Centered Care
- Vital Signs Monitoring

Professional Experience

CNA

Community Medical Center, Scranton, PA | March 2020 to Present

- Deliver care to surgical patients in this 300-bed community hospital
- Reduce risk of infection by ensuring compliance with health and safety protocols
- Assist therapeutic exercises during rehab to improve patients' range of motion following major orthopedic surgeries
- Provide mouth care to patients on life support, monitor vital signs, and alert RNs and physicians of changes in patient condition

Highlight:

- Identified opportunities to enhance clinical operations and supported efforts to reduce patient wait times by 15%

CNA

Geisinger Medical Center, Wilkes-Barre, PA | January 2017 to February 2020

- Assisted oncology and orthopedic patients with various ADLs while offering emotional support
- Retrieved and organized supplies to help nurses dress wounds caused by radiation treatment
- Supported physicians during bone-marrow biopsies by safely repositioning patients and setting up medical equipment

Education

Nurse Aide Training Program

Lackawanna College, Scranton, PA | 2017

Certifications

- Registered Nurse Aide, Pennsylvania Nurse Aide Registry

Language

- Fluency in Spanish
