PROFILE

Registered nurse with more than five years of experience in the United States Army. Calm and decisive in high-pressure work environments, and adapts readily to new challenges and conditions. Dedicated to helping military personnel regain their physical health and readiness to serve. Naturally curious and committed to gaining and applying new skills. Equally effective working independently or on a team.

PROFESSIONAL EXPERIENCE

Registered Nurse

United States Army | November 2017–Present

- Deliver emergency medical treatment to infantrymen
- Provide wound care and treatment, prioritizing urgent tasks in a fast-paced setting
