Professional Experience

Personal Care Assistant

WBV Home Health, Nashville, TN | December 2017 to Present

- Coordinate home care efforts with physicians, nurses, and physical and occupational therapists
- Organize and prepare meals incorporating healthy seasonal produce
- Transport clients to and from pharmacy and doctor appointments as needed
- Maintain detailed EMR documentation per company policies and health regulations

Highlight:

- Helped streamline several key procedures at main office, leading to 20% faster weekly reporting and client communications

Prior Experience

- Gained strong foundation in teamwork and customer relations as a Server at Pizza Hut (Nashville, TN).
