PROFILE

A senior financial analyst with seven years of experience, specializing in FP&A, financial strategy, and project management. A strong history of leading diverse cross-functional teams to drive business transformations for enterprise clients.

PROFESSIONAL EXPERIENCE

Senior Financial Analyst

Corbin Financial Services, San Diego, CA | March 2020 – present

- Lead a cross-functional team of about 20 personnel to deliver financial consulting services to large and medium-sized businesses and serve as the point of contact for a portfolio of 17 client accounts generating over \$250 million in gross revenue
- Perform comprehensive financial analysis on business performance, market indicators, operational expenses, and reporting processes to drive business transformations
- Identify, develop, and implement financial reporting solutions for an enterprise client account, generating annual cost savings of \$33.7 million over two years for the customer

Financial Analyst, West Line Consulting

San Diego, CA | June 2016 – March 2020

- Delivered financial consulting services to client accounts ranging from \$200,000 to \$3.5 million, managed FP&A functions, analyzed customer financials, and collaborated with internal and external finance teams to ensure alignment with business requirements
- Led initiatives to improve profit margins, reduce overhead costs, and support business scalability, resulting in an average return on investment of 150% for clients
