PROFESSIONAL EXPERIENCE

VICE PRESIDENT OF FP&A

New England Solar Inc., Boston, MA
| July 2016 – present

- Manage all aspects of FP&A across five branches in the Greater New England Area for a solar energy provider with over \$300 million in annual revenue
- Performed comprehensive financial audits to enhance business performance, improve data analytics, and identify areas of improvement, resulting in a \$15 million reduction in annual operating expenses
- Collaborated with C-level executives and senior leadership teams to analyze financial performance, trends, and risks and define strategic direction for the organization

SENIOR FINANCE MANAGER

Epsilon Solar Corp., Boston, MA |
June 2013 – July 2016

- Led a team of six financial analysts to manage FP&A, financial reporting, and risk assessment activities for a solar panel manufacturing company valued at \$60 million
- Reduced manufacturing costs by \$6 million over two years by forecasting staffing needs, improving resource allocation, and negotiating new vendor contracts
